Mission Statement

The mission of Suncoast Technical Education is to specialize in developin and promoting innovative programs for our students to meet the evolving needs of the community.

Program Description

This program includes but is not limited to providing students with a foundation of knowledge and technically oriented experiences in the study of automation technology, its application in manufacturing, engineering and robotics, and its effect upon our lives and the choosing of an occupation. The content and activities will also include the study of enterprise systems, safety, quality, and leadership skills. This program focuses on transferable skills and stresses understanding and demonstration of the technological tools, machines, instruments, materials, processes and systems in business and industry.

Program Structure

Production Worker.....	150 Hours
Assembler.....	150 Hours
Process Assistant.....	150 Hours
Automation & Production Technician.....	150 Hours

Program Requirements

The State of Florida requires students to meet the basic skill level requirement prior to program completion. The basic skills grade levels for this program are: Math: 9, Language: 9, Reading: 9
Uniform: Long pants, closed toe shoes, safety glasses & apron

Completion Requirements

A student must have passed all required courses in the program, attended at least ninety percent (90%) of the class hours offered and satisfied all financial obligations before he or she is eligible to receive a certificate of completion for the program.

Costs

Tuition: \$2.92 per program hour (600) paid by semester.
Lab fee \$690. Purchase tools of the trade as you go up to \$500.
*TUITION AND ALL FEES ARE SUBJECT TO CHANGE

Schedule

Monday, Tuesday, Thursday, 4 - 9pm (2 semesters)
