Mission Statement

The mission of Suncoast Technical Education is to specialize in developing and promoting innovative programs for our students to meet the evolving needs of the community.

Program Description

This program includes classroom and shop instruction in the basic principles of air conditioning and refrigeration that apply to commercial and residential systems. Students entering this program will develop the knowledge and skills for entry level employment as installers or mechanics in the air conditioning, refrigeration, and heating industry or provide supplemental training for persons previously or currently employed in the field.

Program Structure

Air-Conditioning, Refrigeration and Heating Helper.....250 Hours
Air-Conditioning, Refrigeration and Heating Mechanic Asst.....250 Hours
Air-Conditioning, Refrigeration and Heating Mechanic 1.....250 Hours

Program Requirements

The State of Florida requires students to meet the basic skill level requirement prior to program completion.

The basic skills grade levels for this program are: Math: 10, Language: 9, Reading: 9
Uniform: Closed toe shoes, work pants and work shirt

Completion Requirements

A student must have passed all required courses in the program, attended at least ninety percent (90%) of the class hours offered and satisfied all financial obligations before he or she is eligible to receive a certificate of completion for the program.

Costs

Tuition: \$2.92 per program hour (750) paid by semester. Books: \$165

Lab Fee: \$500, \$1000-1200 (tools of the trade) purchased as you go through the program

*TUITION AND ALL FEES ARE SUBJECT TO CHANGE

Schedule

Monday & Thursday 4 - 9pm (4 Semesters)
