Program Description

The ServSafe® program provides food safety training, exams and educational materials to foodservice managers. Students can earn the ServSafe® Food Protection Manager Certification, accredited by the American National Standards Institute (ANSI)-Conference for Food Protection (CFP). The program blends the latest FDA Food Code, food safety research and years of food sanitation training experience. Managers learn to implement essential food safety practices and create a culture of food safety. All content and materials are based on actual job tasks identified by foodservice industry experts. Program content includes the ServSafe Manager training (14 hours) and includes book, test preparation and concludes with the administration of the ServSafe® Manager certification test (two hours).
