

Scholarship Fund Donation Form

Suncoast Technical Education Center is a division of Hernando Adult Education and scholarship donations are needed to help offset tuition for students in our program. Suncoast Technical offers courses in today's most in-demand fields such as cybersecurity, automotive, cosmetology, manufacturing, HVAC and welding. Although we are a non-profit program with lower than average tuition costs, many of our students struggle financially. Your donation can aid them in taking their first step towards a career in Hernando County.

YES, I/We would like to donate to the Hernando Adult Education Scholarship Fund.
